Official

Trump says the rape allegation is "a hoax and a lie."

The former president is set to undergo questioning today in the defamation suit by E. Jean Carroll, a columnist who claims he raped her 25 years ago.

It will give lawyers a chance to interrogate Trump

Subject: SPECTACULAR!

[REDACTED] You are obviously a narcissist the way that you brag about yourself & you think that you're all that & then some. When you worked with playboy you were "so jealous" over the beautiful playboy models because all men wanted them that you wanted people to think that you were beautiful & were wanted by men too (only you're "not" beautiful, you are just an old ugly skank whore!) No man wants to touch you (even your ex husbands dumped you!) So to convince the world that you are wanted by men (when you know damn good & well that you're not) you make up these lies that you were raped by two men! (You are a disgusting low life liar & you are going to get hurt "very badly" for the lies that you are telling! You are "very ugly" both inside & out & you are going to be even more uglier than you already are if you don't cease & desist with these false allegations of rape that you are telling!) Better end the bullshit quick bitch!
